I don't have a specific agenda although I suspect invariably we will discuss Clearview. I am not really involved in the day to day but do keep abreast. We had discussed meeting long ago given a variety of common interests; that never happened, but I have not forgotten, and I have been meaning to ping you when in Chicago. All that said, if you think it is best not to meet now, I won't be offended.

We can figure out a location as the date approaches. Is there something specific that you want to discuss?

Great – let's plan on it. Happy to host at Jenner's offices or we can meet somewhere else. Look forward.

Hey Scott –

Long time no speak. I will be out in Chicago a couple of times in July and wanted to know if you would like to get together. A long time ago, we discussed getting a beer...
